Foreword

The Right Honourable Speaker,

A. INTRODUCTION

In accordance with the Public Finance Management Act, 2015, Section 13(13) on the Annual Budget and the adjusted budget process for FY 2023/24 for Central Governments, I have the honour to present to the 11th Parliament the Ministerial Policy Statement of Vote 003 Office of the Prime Minister for FY 2023/24.

For the FY 2023/24, the preparation of Vote 003 Budget Framework Paper (BFP), Ministerial Policy Statement and detailed Budget Estimates centred around the new national programs as articulated in the Third National Development Plan (NDP III) and attainment of specific outcomes.

Accordingly, Vote 003: OPM Medium Term Expenditure Framework (MTEF) has been clustered under, four (4) NDP III Programmes namely; Development Plan Implementation (Executive Office, 1st, 2nd and 3rd DPMs, GCW, GD, PMDU, Strategic Coordination, Monitoring and Evaluation and Administration and Support Services), Natural Resources, Environment, Climate Change, Land and Water Management (Relief, Disaster Preparedness and Management); Governance and Security (Refugee Protection and Management); and Regional Development (Affirmative Action Programs)

B. MANDATE

Article 108 A of the Constitution mandates the Prime Minister to:

- (i) Be the Leader of Government Business in Parliament and be responsible for the coordination and implementation of Government Policies across Ministries, Departments and other Public Institutions.
- (ii) Perform such other functions as may be assigned to him or her by the President or as may be conferred on him or her by the Constitution or by law.

C. FUNCTIONS

The Office is responsible for the following functions:

- (i) Leading Government Business in Parliament;
- (ii) Monitoring and Evaluation of the implementation of Government Policies and Programmes;
- (iii) Coordinating the implementation of Government Policies, Programmes and Projects;
- (iv) Coordinating the development of capacities for prevention, preparedness, and response to natural and human induced disasters and refugees; and
- (v) Coordinating and monitoring the implementation of Special Government Policies and programmes for disadvantaged areas like; Karamoja, Northern Uganda, Luwero-Rwenzori, Bunyoro, Busoga and Teso.

D. KEY ACHEIVEMENTS FOR FIRST HALF OF FY 2022/23

Over this period, OPM registered the following achievements:

- 1. Coordinated the implementation of Government service delivery programmes as stipulated in NPD III across MDAs. For instance: organized and held fifty-three (53) strategic interministerial coordination meetings to address the bottlenecks in the implementation of Government programmes, conducted twenty-eight (28) political oversight inspections on the implementation of Government programmes/projects to unlock constraints to effective Government service delivery, responded to two hundred fifty-six (256) questions (out of which 193 were written and 63 oral question), and coordinated the legislative agenda in which seventeen (17) Bills were passed to facilitate investments, development and National progress.
- 2. Responded to disaster occurrences and completed the development of the Disaster Risk Management Plan (DRMP) which provides a framework for disaster preparedness and response. In this regard, supported approximately 142,025 disaster affected Households (710,127 people) across the country with relief food and non-food items. The Vote monitored and supervised the construction works for restoration of five (05) Health facilities (Lwampanga HC III in Nakasongola, Nalubwoyo HC III in Amolatar, Rwangara HC III in Ntoroko, Butiaba HC III in Buliisa and Kilembe Mines Hospital in Kasese and construction of classrooms at Moone Primary School, Nakasongola.
- 3. Received and settled 55,871 refugees and asylum seekers and developed the second Settlement Transformation Agenda (STA II) to refugee response and management. A number of infrastructures were established to support both refugees and host communities. These include; construction/rehabilitation of 26Km roads in Lamwo district, construction of ninety (90) school infrastructure (classrooms, office blocks, stance latrines and ICT libraries) in Madi-Okollo, Adjumani and Lamwo District Local Governments through DRDIP.
- 4. Continued with the Pacification and Development of formerly war ravaged areas to reduce income poverty and improve the socio-economic indicators in these areas. The interventions included; procurement of 12,574 iron sheets (Out of which Busoga 3,378, Northern Uganda 4,985, Teso 2,898 and Luwero-Rwenzori 1,313 to women, youth, vulnerable groups and community institutions, conducted political monitoring, mobilization, mind-set and supervisions exercises in the affirmative action regions to create awareness to the populace of Government service delivery programmes, identified, appraised and trained 182 micro prohjects (Out of which Bunyoro 80 and Luwero-Rwenzori 102) for support towards improved income generation activities and livelihood enhancement. The OPM paid retention money for construction of a dormitory block at Pokot Girls' Seed Secondary School.

E. CHALLENGES

I should point out that overall, Vote 003: Office of the Prime Minister's Budget under GoU funding has been reduced by UGX. 62.44Bn (from UGX 133.11Bn in FY 2022/23 to UGX 70.67Bn) in FY 2023/24. The details of the most affected programmes are given below:

(i) Funding for the Affirmative programs (Northern Uganda, Bunyoro, Luwero-Rwenzori, Teso, Busoga and Karamoja) under Regional Balanced Development Programme reduced by UGX 56.57Bn (95% decrease) from UGX 59.62Bn in FY 2022/23 to UGX 3.05Bn in FY 2023/24);

- (ii) Funding for Disaster and Refugee Departments have also reduced by UGX. 3.05Bn (15% decrease) and UGX 0.23Bn (18% decrease), respectively. The reduced budget allocation comes at a time when Cabinet in July, 2022 approved the Disaster Risk Management (DRM) Plan which provides the overall Government framework for strengthening capacities for mitigation, preparedness, and response to natural and human induced disasters. Whereas, the operationalization of the DRM Plan in FY 2023/24 requires additional funding of UGX 63.679Bn, the same is not available in the final Vote 003 MTEF for FY 2023/24;
- (iii) Support to monitoring and evaluation and coordination has suffered cuts totalling to UGX 3.596Bn particularly, workshops and seminars (UGX 1Bn), purchase of motor vehicles (UGX 2.3Bn) and travel inland (UGX 0.296Bn).

The Budget cuts on Vote 003 which is already resource constrained will greatly hamper effective execution of the core roles of coordination, monitoring and implementation of the specialized programs and fast tracking the implementation of H.E the President's delegated assignments. Therefore, the additional budget cuts if not reversed would further cripple the operations of this office in executing its mandate.

F. FUTURE OUTLOOK FOR FY 2023/24 AND OVER THE MEDIUM TERM

Despite the above challenges, OPM leadership is committed and will continue to strengthen the institutional mechanisms and systems for effective service delivery which will ensure real time tracking of all MDAs and LGs performance to achieve accelerated implementation of government programmes faster decision making to facilitate investment, and above all improved service delivery to our people through the Parish Development Model (PDM).

Additionally, OPM will continue with the implementation and coordination of Special programs for Affirmative Action Programs to support balanced regional development for the regions whose poverty and social economic indicators are far below the National average over the next five years, Relief, Disaster Preparedness Management to improve on the country's preparedness and response to the increasing occurrence of disasters and Refugee Protection and Management in accordance with the international obligations but with focus on improving the livelihood for refugees and host communities.

The design of the Fourth Northern Uganda Social Action Fund (NUSAF 4) is in progress and is expected to commence in July 2023. The project will cover 9 sub-regions (West Nile, Acholi, Lango, Teso, Karamoja, Elgon, Bukedi, Bunyoro and Busoga). The project value is estimated at USD 250 million over 5-year period financed by the World Bank and will focus on increased production and productivity, value addition and enhance social protection.

Justine Kasule Lumumba- Rt. Hon.
